Nestled in between I-85 and I-26 on Highway 29 (29,500 VPD) is a great development opportunity for the booming westside of Spartanburg. This is a high-traffic retail, industrial and residential corridor. Conveniently located to Downtown Spartanburg and Greenville, this site has much potential with many new and upcoming developments in close proximity. Highway 29 serves as the main throughfare into Spartanburg from I-85 and is seeing massive growth. From 2022 to 2023, Spartanburg's metro area grew by nearly 3%, making it the 8th fastest growing metro area in the country during that timeframe. It ranked as the 2nd fastest growing in the state, behind the Myrtle Beach-Conway-North Myrtle Beach area.
